

Midwest Dental Laboratory Association, Inc.

Dedicated to upholding and advancing the dignity, honor, and efficiency of those engaged in the dental laboratory profession.

## 2013 Membership Application

### I am applying for the following membership for 2013:

\_\_\_\_\_ **ACTIVE** - Active membership consists of corporations, partnerships, and individuals operating dental laboratories in the states of Minnesota, Iowa, Nebraska, North Dakota, South Dakota or Wisconsin, as well as dental laboratories operated within these states that are branches of other out-of-state laboratories. When both the home and branch offices of dental laboratories are located within one of these states, then only the home office will be accepted as an active member.

\_\_\_\_\_ **Owner-Operators** – those labs with the owner being the sole technician on the payroll. \$125.00

\_\_\_\_\_ **Laboratories** – any lab with two or more technicians on the payroll. \$175.00

\_\_\_\_\_ **AFFILIATE** - Affiliate membership shall consist of dental laboratories of University dental schools, noncommercial dental laboratories, schools of dental technology, manufacturers, suppliers, and retailers. *The cost of this membership is \$125 per year.*

\_\_\_\_\_ **INDIVIDUAL TECHNICIANS OR INDIVIDUAL CERTIFIED DENTAL TECHNICIANS (C.D.T.)** - Individual membership consists of Individual Technicians or CDTs who have no ownership in a commercial dental laboratory. Individual members may not be listed at a lab address or phone. *The cost of this membership is \$50 per year.*

### Among the benefits you receive as an MDLA member are:

- **Member Directory** - MDLA annually publishes a member directory with complete contact information so you may have instant access to other MDLA members when you need advice or assistance. This information is also available at [www.mwdentallab.org](http://www.mwdentallab.org). Our directory is made available at no charge to members of the Minnesota Dental Association and distributed at the MDA Star of the North conference.
- **Northland Exhibition** - the MDLA Northland Exhibition and Annual Meeting each spring gives lab owners, managers and technicians an opportunity to learn from experts from across the country. Here you can see the latest techniques and view the newest products on the market, and network with others from the industry. All courses offered at the Northland Exhibition are approved for C.D.T. credits, and MDLA members receive the benefit of greatly reduced registration rates.
- **Special Events** - In addition to the Northland Exhibition, MDLA offers other educational and social opportunities throughout the year such as webinars and quarterly membership meetings.
- **Special Programs** - MDLA offers special reduced rate buying programs to members.
- **MDLA Communications** - [www.mwdentallab.org](http://www.mwdentallab.org) and the MDLA E-newsletter keep you current on what's happening within the organization, and on local and national issues that could affect you. We also utilize social networking programs (i.e. Facebook, LinkedIn, Twitter) to help you better communicate with others in the organization.
